

FORM REVIEW FOR 4TH ICMET PAPER

Title :

The Effect Of The Use Of Information Technology And Foreign Language Communications In The Teaching Process On The Quality Of Indonesian Seafarers

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments	<ol style="list-style-type: none">1. Suggestions for data analysis on data analysis techniques, it is necessary to provide the source where the data comes from, examples of research instruments from which books or sources2. Other corrections, namely the need to add suggestions after concluding the results of the study	

PART 2:

(1) Technical content: Rate the technical content of the paper (e.g.: clarity of the methodology, completeness of the analysis or simulation study, thoroughness of the treatise, accuracy of the models, etc.).

- a. Technically unsound
- b. Results are plausible, but sufficient verification or validation is not provided
- c. Valid and clear formulation but lacking independent validation. Results are plausible
- d. Simulations only to independently validate a concept with solid scientific foundation
- e. Experiment and simulations to independently validate a concept with scientific foundation

Remark : C

(2) Novelty and originality: Rate the novelty and originality of the ideas or results presented in the paper

- a. Nothing new and trivial
- b. New formulation of well-known and understood problem
- c. Incremental but useful advance or improvement on the state-of-the-art
- d. Significant advance or improvement on the state-of-the-art
- e. Completely new and non-obvious to the expert

Remark : D

(3) Quality of the presentation: This score should consider the following four points: organization of the material, clarity of writing, figure quality, and/or correct application of engineering conventions.

- a. Poor on writing and presentation
- b. Perfect on only one of the points
- c. Perfect on two of the points
- d. Perfect on three of the points
- e. Perfect on all four points

Remark :D

Recommendation : The article can be accepted but there needs to be improvement

PART 3: Reviewer Details:

Reviewer Details:

Name:	Department, University & Country	Position: (Professor/researcher/ lecturer, etc.)	Email:	5-10 Keywords to describe specialization/exp ertise
DR.Hj. Trisnowati Rahayu, M.AP	Politeknik Pelayaran Surabaya	Lecturer	trisjafar@gmail.com	manajemen, port, shipping, sea transportation, education
Please provide the proper information (<u>Name, University and Country</u>). The 'Certificate'				

for reviewing this paper will be
issued using this information.
